Scholarship Application: Music

2022 applications close on Friday 12 March 2021, at 4:00 pm.

Scholarships may be awarded to students who display exceptional talent in, and commitment to, the Performing Arts (Music).

Current and new students entering Year 5 to Year 10 in 2022 are eligible to apply for this Scholarship. It is an expectation that Scholarship recipients will continue their studies in Music to Year 12. Recipients of this Scholarship are expected to participate in two music ensembles and contribute to School performances and events.

Scholarships awarded range as a percentage of School tuition costs for varying periods of time commencing in the year of entry. The amount will be determined on a case by case basis for each individual applicant. Please note: All consumables are payable at the relevant cost.

All applicants must submit a formal application to the Principal by the above date to be considered for the Scholarship. Successful applicants will be short-listed for an audition and interview with the Principal and Head of Music and Performing Arts. Short-listed applicants should come prepared to talk about their skills and attributes, and their suitability for selection.

Alphington Grammar School reserves the right to withhold a Scholarship if no suitable candidate fulfils the criteria as deemed appropriate by the Selection Committee. No correspondence pertaining to any individual's application or Scholarship will be entered into once the School has made its decision.

Music Requirements:

Scholarships are granted to students on the basis of an audition and interview. The school required the student to excel in their chosen instrument, and demonstrate genuine commitment to the Performing Arts (Music).
