Scholarship Application: The Arts

Applications close on Friday 25 February 2022, at 4:00 pm.

Scholarships may be awarded to students who display exceptional talent in, and commitment to, The Arts (Visual/Fine Art).

Students entering Year 7 to Year 10 in 2023 are eligible to apply for this scholarship. It is an expectation that scholarship recipients will continue their studies in Art to Year 12.

Scholarships awarded range as a percentage of School tuition costs for varying periods of time commencing in the year of entry. The amount will be determined on a case by case basis for each individual applicant. Please note: All consumables and other compulsory charges are payable at the relevant cost.

All applicants must submit a formal application together with a supporting portfolio of their own artwork to the Principal, Dr Vivianne Nikou, by the above date to be considered for the award. No correspondence pertaining to any individual's application or the award will be entered into once The School has made its decision.

Alphington Grammar School reserves the right to withhold a scholarship if no suitable candidate fulfils the criteria as deemed appropriate by the Selection Committee.

Successful applicants will be short-listed for a personal interview with the Principal and the Head of Art. Short-listed applicants should come prepared to talk about their art pieces, skills and attributes and their suitability for selection.

Please submit your completed application and portfolio directly to The School by the closing date.
