

Scholarship Application Form: **The Arts**

Applications close on Friday 24 February 2023, at 4PM

Scholarships may be awarded to students who display exceptional talent in, and commitment to, The Arts (Visual/Fine Art).

Current and new students entering Year 5 to Year 10 in 2024 are eligible to apply for this scholarship. It is an expectation that scholarship recipients continue their studies in Art to Year 12.

Scholarships awarded range as a percentage of School tuition costs for varying periods of time commencing in the year of entry. The amount will be determined on a case by case basis for each individual applicant. Please note: All consumables and other compulsory charges are payable at the relevant cost.

All applicants must submit a formal application together with a supporting portfolio of their own artwork to the Principal, **Dr Vivianne Nikou** by the above date to be considered for the award. No correspondence pertaining to any individual's application or the award will be entered into once The School has made its decision.

Alphington Grammar School reserves the right to withhold a scholarship if no suitable candidate fulfils the criteria as deemed appropriate by the Selection Committee.

In order to be considered for the scholarship, applicants must submit to The School:

- The completed application form
- A portfolio of their own artwork
- The applicant's two most recent school reports
- The applicant's most recent NAPLAN results
- Payment of the \$60 application fee

Successful applicants will be short-listed for a personal interview with the Principal and the Head of Art. Short listed applicants should come prepared to talk about their art pieces, skills and attributes, their interests, and their suitability for selection.
