

16 November 2022

Dear Parents and Parent Liaisons,

**RE: Greek Cooking Demonstration**

On Monday 28 November, students in Year 6 will have the opportunity to participate in a Greek Immersion Cooking Demonstration, which links in with our unit on “Greek Food”.

The Cooking Demonstration will take place at school, in the Lyceum from 11.00am until 1.00pm.

Students will have the opportunity to watch a chef from Greece demonstrate how to make some traditional Greek dishes, as well as take part in some simple cooking themselves.

At the end of the Cooking Demonstration, students will have time to ask our chef any questions that they may have, before eating the food that was made during the session.

Given that part of the session will occur during lunchtime, students are welcome to also bring their lunches with them should they desire.

Please note that all students’ allergies and dietary requirements have been taken into consideration when selecting the menu for the day.

Full school uniform is required.

Please do not hesitate to let me know should you have any queries.

Yours Sincerely,

Anita Kolaitis  
Primary Greek Teacher
