Dear Parents and Parent Liaisons,

RE: Years 11 and 12 Parent Information Evening 2023

We are writing to invite you to our Years 11 and 12 Parent Information Evening, which will be held on Wednesday 15 February commencing at 7.00pm via Zoom.

You will find a Year 11 and 12 Information Handbook attached to this letter which contains a vast amount of information that will help you understand the very important years ahead for you child. In an attempt to make the information evening shorter and more interactive, the attached Information Booklet should be read by you and your child, prior to the evening, and any questions you have should be emailed to Mr Lukas Silver by Monday 16 January.

Providing you with pertinent information in advance means that we can spend the evening answering the questions you email us, which will ensure you have clarity about every aspect of your child's VCE journey.

The Program for the evening comprises a welcome from the Principal and the 'Q&A Session where your emailed questions will be addressed. This forum will be led by the Assistant Principal - Head of Secondary, the Deputy Head of Secondary and the Careers Practitioner. The evening will conclude with a session from our external 'Exam Skills Experts' *Elevate Education*.

Please have a happy and safe holiday period. We look forward to seeing you all on Zoom in the new school year.

Yours sincerely,

Mr. Lukas Silver
