Dear Parents and Parent Liaisons,

Re: The Greatest Shave Fundraising Event for the Leukemia Foundation

It's that time of year again… Alphington Grammar School will be hosting 'The World's Greatest Shave' for the second time!
Raising money for the incredible Leukemia Foundation, students and staff are invited to brave the shave or chop off a few inches on Friday 17 March.
Of course, braving the shave is just one of the many ways that students can contribute to this very important cause. I invite those students who would like to help in a different way to contact me so that we can put some plans into action.
With brand new razors ready to go, we are hoping to raise an ambitious $2000. If you would like to help us reach our target, please consider donating to our page:

Yours sincerely,
