

24 May 2023

Dear Parents and Parent Liaisons,

**RE: International Gateways: London-Rome-Sicily-Greece
Saturday 26 August-Saturday 23 September**

The countdown is on: 100 days to go!

We are now in the next exciting phase of planning our International Gateways program.

Preparations are in full swing and there is much excitement amongst the students.

All flights, accommodation, excursions, museum entries etc have been booked and families have received their itineraries.

Over the next week, students will be measured for their Gateways tops and the planning continues.

I would like to remind families that the third payment is due soon, on **31 May** and the final payment will be due on **30 June**.

I am looking forward to more updates as we get closer to departure.

Yours sincerely,

Toula Terezakis
Head of House-Aristotle
Gateways Coordinator
