

Alphington
GRAMMAR SCHOOL

CLASS OF

2023

Results

The Class of 2023 has achieved outstanding VCE results, continuing the School's ongoing commitment to Excellence. The Dux of the School, **Costa Magiris**, achieved an ATAR of **98.75**, placing him in the top 2% of the state.

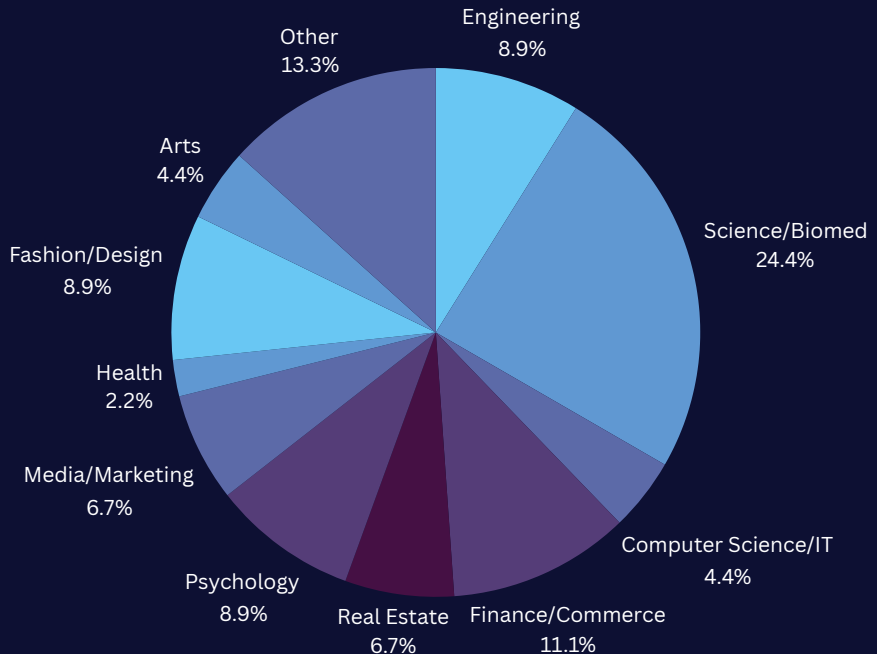

Other notable results include:

- 57.5% of students achieved an ATAR over 80, placing them in the top 20% of the state.
- A median study score of 33.
- An average ATAR of 79.5, well above state average.

University Offers

Many of our students have received their first choice offers across a wide range of disciplines, reinforcing the strengths of our students' academic and personal achievements. Studies in Science and Biomedicine were particularly well-represented within this cohort.

High Achievers

Costa Magiris is the Dux of Alphington Grammar School for 2023, having achieved an ATAR of 98.75. Costa is pursuing his interest in the Science field through a double degree at the University of Melbourne with plans to pursue a Master of Engineering.

Rudra Sekhri is Dux Proximus, and received an ATAR of 98.5. He is studying a Bachelor of Science at Swinburne University.
