Dear Parents and Parent Liaisons,

RE: YEAR 7 INTERSCHOOL SPORT TERM 3

As we begin the second season for 2024, I am writing to inform you about the upcoming Year 7 Interschool Sport Program, which will be held on Mondays during sport time. This program is compulsory for all students, and we have been conducting trials at the start of Term 3.

- We encourage all students to participate to the best of their ability, and to ensure that they have the correct uniform and footwear for sport. This will help them to fully engage in the activities and enjoy the benefits of the program.
- As per our school policy, we require a medical certificate for any student who misses sports activities due to illness or injury. The medical certificate will help us maintain accurate attendance records and ensure that you do not fall behind in your sports activities.
- Throughout the term, students will be transported to various venues via bus as part of the program. It's important to note that during these excursions, a qualified coach who is not affiliated with VIT may accompany the students. The specific details regarding the venues can be found in the fixture, but please be aware that these locations may undergo regular changes. We strongly recommend that students check their emails weekly for updates on the upcoming destinations.
- On designated interschool sport days and during physical education classes for Years 7-11, students are required to wear the appropriate Alphington Grammar School Sports Uniform. This uniform includes the correct shorts and track pants, and it is essential to ensure that the proper footwear is worn as well. Please refer to the schedule below to determine the specific days when your child is expected to wear the sports uniform.
- **However, there will be times where students will be required to get changed. These times are before/after an enrichment program if the student does not have PE or Sport scheduled on those days.**

See below for the days in which students should be wearing their sports uniform to school.

We understand that the purchase of these items may involve additional costs, and we appreciate your support in providing the necessary equipment for your child's participation in these sports. It is crucial that we prioritize the safety and well-being of our students during sporting activities.

Thank you for your support and please contact Ms. Rahme via email at or@ags.vic.edu.au if you have any queries regarding the program.

Yours sincerely,
